

**JUMP ON THE BAND WAGON  
AND  
BEE A BAND PATRON!**

Your support as a Band Patron is very important to the Medina Musical Bees. With your financial support, we are able to maintain and replace uniforms, purchase music and acquire the specialty instruments that make this band the pride of our community. The Medina High School Musical Bees has enjoyed a long-standing reputation for outstanding and entertaining performances. Your support as a Band Patron will keep this tradition of excellence alive!

As a thank you for your donation, your name will be listed in our Concert season programs in recognition of your contribution. Based on your level of contribution you may also receive **free admission** (up to a \$24.00 value!) to a Concert Band performance of your choice!

To ensure your name is listed under Patrons in the Concert season programs, please return your donation, payable to Medina Band Parents' Association, by **September 30**. A response before **August 30** will also assure your name in the program for the Medina Band Show.

Your support of our Musical Bees is greatly appreciated!
