

- **Director Update**

- Thank you to everyone for their help with the high school concert and for providing your services. The kids did a very nice job. A testament to our kids and our band program is that our Concert Winds and Ensemble is what most schools strive for, our kids should be very proud. We are fortunate to have a Symphony Band as well. The Symphony Band contest is at Firestone High School. It is a new facility and bigger than where we played last year.
- We are getting ready for Dinner & All That Jazz - both high school jazz bands and both middle school jazz bands will be performing.
- The Spring concert is May 4th.
- During the middle school concerts next week, we can't have the kids out in the hall, they need to be in the cafeteria while they wait to go on. We will need extra parents help!
- The middle school solo & ensemble is the same day as Dinner & All That Jazz. It will be at Stanton Middle School in Kent.
- We will be having high school concert season tryouts in April, most likely on the testing days.
- We have our marching show picked out and have been having creative planning meetings!

- **Thank you** for attending!

*****Next meeting: Monday, April 3rd, 2017, MHS Band Room @ 7pm*****
