

Musical Bees OMEA State Finals Extended Stay in Columbus Information and Form

Dear Parents and Students,

The Musical Bees will be performing at the OMEA State Marching Band Finals on Saturday, October 27 at 3:15 PM. The afternoon block ends with the awards ceremony at 3:30 PM.

We understand some families will be staying in Columbus a little longer. If you would like your musical bee to stay in Columbus, we need the attached permission form filled out and turned into Ms. Blasko by Wednesday, October 24th. That way we can account for their attendance when we leave for Medina.

- They are allowed to be released to a family member indicated on the permission form
- The family member picking them up will need to meet the student they are picking up at the Medina buses in the bus parking lot at approximately 3:45 PM after the awards ceremony or at 8:00 PM after our Easton stop.
- The family member and the student together should checkout with Ms. Blasko and only Ms. Blasko. This helps us cut down on any confusion with a group our size.

Thank you for planning on attending this special event. Additionally, thank you for your understanding with all of our procedures. The staff is responsible for 260 members and we want to make sure everyone is accounted for at all times. Special request as to departures and so forth make it more difficult for us to keep track of everyone and to continue doing our other duties while at the event.

Musically Yours,

Jason Locher
Head Director - Musical Bees
